

# THE CUB SCOUT PROMISE, LAW AND MOTTO

## Explained

Scouting is not just a youth group.

Scouting has a purpose, and our activities are run in line with our movement's values:

## THE PURPOSE OF SCOUTING

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

## THE VALUES OF SCOUTING

### Integrity

We act with integrity; we are honest, trustworthy and loyal.

### Respect

We have self-respect and respect for others.

### Care

We support others and take care of the world in which we live.

### Belief

We explore our faiths, beliefs and attitudes.

### Cooperation

We make a positive difference; we cooperate with others and make friends.

## THE SCOUT METHOD

Scouting takes place when young people, in partnership with adults, work together based on the values of scouting, and:

- enjoy what they are doing and have fun;
- take part in activities indoors and outdoors;
- learn by doing;
- share in spiritual reflection;
- take responsibility and make choices;
- undertake new and challenging activities; and
- make and live by their Promise.

The values of scouting can be difficult for young people to understand at different ages, therefore Beavers, Cubs, Scouts, Explorers, Scout Network Members and Adult Volunteers all make a 'Promise' and follow a 'Law' which is age appropriate. These are explained in the following pages.

## Explained

## JOINING THE CUB PACK

Young people who are new to the cub pack will visit for a few weeks to see what cubs get up to. During one of these visits a cub leader will discuss the Cub Scout Promise and Cub Scout Law with them. To become a cub in the pack officially, they will make their promise in front of the pack. Before they do this, they need to learn about the Cub Scout Law. They do not need to remember the law word-for-word, but they must understand it. The Cub Scout Law is a few simple rules that we ask every cub to try to keep - at times it can be a challenge, but during our activities we try to give the cubs a better understanding of how they can live up to their promise and keep the law.

### THE CUB SCOUT LAW

Cub Scouts always do their best,  
think of others before themselves  
and do a good turn every day.

### THE SCOUT MOTTO

“Be Prepared”

The Scout Motto is possibly one of the most famous phrases associated with Scouting and is shared across the movement - including cubs!

When a new cub is ready to join the troop officially, they make their promise during a short ceremony called an ‘investiture’. The Promise is based on the shared values of all scouts, but has a number of variations in wording, depending on each young person’s personal faith and beliefs.

We ask that all cubs learn their promise off-by-heart, as it is important they they try their best to live by it. However we understand that people can get nervous when having to speak in front of the cub pack, so during their investiture they will be asked to repeat their promise after a leader.

They should choose the most appropriate wording of the promise for them, from the list below. The leaders are happy to discuss the different variations with each new cub, should they have any further questions.
